

Series Theme: The Culture of Our House

Series Overview:

This is a fundamental series about The Culture of Revive Church looking to explore the values that shape who we are, how we lead and why we do what we do. At the centre of Revive Church we believe that the Kingdom of God is real and that Jesus calls us to live and operate in humility, in servanthood, surrender, unity and love. Its not about us being a building but about us being a spirit empowered people who have encountered Jesus, surrendered to His Lordship and chosen to try and operate from that in missional ways. Throughout the series we will explore the key cultural identifiers of Revive the key reasons we are the way we are and relate it to how God calls us and is shaping us. We want to build a house with a culture that carries the presence of God, values every person, equips people to live with purpose and ushers in Heaven.

Messages:

4 weeks of messages looking at key areas of culture and the shape of Revive – who we are, what our house looks like, why it looks the way it does and why we lead the way we lead. Key areas discussed included: Serving & Leadership, Discipleship & Community, Encounter & Environments and Growth & Mission.

This series will explore the Why of the culture of Revive Church, The values that shape who we are, how we lead, and why we do what we do. At the centre of Revive is a belief that the Kingdom of God is real and that Jesus calls us into a different way of living marked by humility, servanthood, surrender, unity, and love. We are not building a building or a platform, but a Spirit empowered people who have encountered Jesus, surrendered to His Lordship, and chosen to live with Him in everyday mission.

Throughout this series we will unpack key cultural expressions that shape our life as a church. Looking at Serving and Leadership, we are forming a culture where leadership looks like Jesus, where serving is the pathway to Kingdom impact and where humility and sacrifice define how we lead others. In Discipleship and Community, we are building a family where people are known, valued, and discipled into maturity, growing together in Christ and living with deep unity and belonging.

In Encounter and Environments, we are committed to creating spaces where people genuinely encounter God, experience His presence, and are transformed by the Holy Spirit. We believe church is not just something we attend but an environment where heaven meets earth and lives are changed. In Growth and Mission, we are equipping every person to grow in their faith, discover their gifts, and live on mission with purpose and confidence, carrying the message and presence of Jesus into every area of life.

Ultimately, this series is about shaping a culture that reflects the heart of Jesus and advances His Kingdom. As we explore the Kingdom, the Church, the King, and the Holy Spirit, we are reminded that everything we are flows from Him. Our desire is to build a house where people encounter God, grow in maturity, serve with joy, live in authentic community, and step boldly into the mission of God in the world.

To define the messages – what cultural elements that shape Revive need to be determined.
